

# Lab Report Checklist

## Hand-drawn Graph Sample

Hand-drawn graph checklist		
No.	Item	Check if present
1	x-axis title	
2	y-axis title	
3	Graph Title	
4	Suitable scale (>80% graph region)	
5	Maximum and minimum line	
6	Trendline with equation	
7	Centroid labelled ⊗	
8	Triangle for gradient	

General Checks		
No.	Item	Check if present
1	Theoretical Data table	
2	Uncertainty Table	
3	Calculation of variable uncertainty from gradient uncertainty	
4	2 errors and 2 precautions mentioned in discussion	
5	Percentage error of variable studied	
6	All paragraph aligned "Justified"	
7	Conclusion includes: <ul style="list-style-type: none"> <li>- Theoretical value</li> <li>- Experimental value with uncertainty</li> <li>- Percentage error</li> <li>- Successful or not</li> </ul>	
8	Experimental data with consistent data decimal points and uncertainty with units
