A screenshot of the Discord web interface showing a "Create a server" dialog box. The dialog box is titled "Customize Your Server" and asks the user to give their new server a name and an icon. The "SERVER NAME" field contains "random name". A large red arrow points to the "Create" button at the bottom right of the dialog. The background shows a server channel named "test-run-ipg" with a message from "shafiqr" and a list of online users on the right.

Step 4:
Click Create!

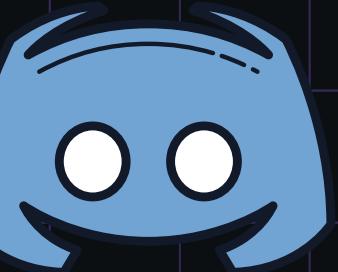

PART 4

04. Create Categories

Create categories

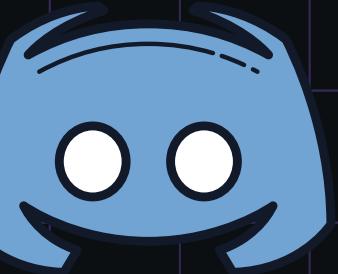

The screenshot shows the Discord server creation interface. At the top, there's a green bar with the text "Please check your email to verify your account and keep your current username." and a "Resend Email" button. Below this is a navigation bar with icons for back, forward, search, and other functions. On the left, there's a sidebar with user icons and a dropdown menu set to "random name". The main area displays a welcome message: "This is your brand new, shiny server. Here are some steps to help you get started. For more, check out our [Getting Started guide](#).
ONLINE - 1
shafiqr" followed by a blue verified badge. To the right of the message are five interactive cards: "Invite your friends", "Personalize your server with an icon" (which has a green checkmark), "Send your first message", "Download the Discord App", and "Add your first app". At the bottom, there's a message input field with "Message #general" and a toolbar with various icons.

Step 1: Click on the drop down menu

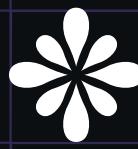

Create categories

A screenshot of a Discord server settings page. The URL in the address bar is <https://discord.com/channels/1264261482334388336/1264261483148087400>. A green banner at the top says "Please check your email to verify your account and keep your current username." with a "Resend Email" button. The server name is "random name" and the channel is "# general". On the left, a sidebar menu has a red arrow pointing to the "Create Category" option, which is highlighted with a blue background. Other options in the sidebar include Server Boost, Invite People, Server Settings, Create Channel, Create Event, App Directory, Notification Settings, Privacy Settings, Edit Server Profile, and Hide Muted Channels. The main content area shows a welcome message: "This is your brand new, shiny server. Here are some steps to help you get started. For more, check out our [Getting Started guide](#)". It lists five steps: "Invite your friends", "Personalize your server with an icon" (marked with a green checkmark), "Send your first message", "Download the Discord App", and "Add your first app". The bottom of the screen shows the message input field "Message #general" and various reaction icons.

Step 2: Click on
“Create Category”

Create categories

Step 2:
Choose between text channel or voice channel and
then name your text/voice channel

Text/Voice Channel

The screenshot shows a Discord channel interface. At the top, there's a green banner with the text "Please check your email to verify your account and keep your current username." and a "Resend Email" button. Below the banner, the channel name "# chat-here" is displayed. To the left of the channel name is a dropdown menu showing "random name". On the right, there are various icons for moderation and settings. The main content area features a large red arrow pointing from a text input field at the bottom to the channel list. The channel list includes categories: "TEXT CHANNELS" (with "# general"), "VOICE CHANNELS" (with "General"), and "LECTURERS ONLY" (with "# chat-here"). The "# chat-here" channel is highlighted with a red border. A user profile for "shafiqr" is shown as online. The bottom of the screen has a message input field and a toolbar with various icons.

Step 3: Created channel will appear under the category.

PART 6

06. Create Roles Σ Managing them

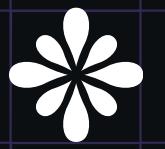

Roles

A screenshot of a Discord server setup page. At the top, there's a green banner with the text "Please check your email to verify your account and keep your current username." and a "Resend Email" button. Below the banner, the server name is "random name". On the left, there's a sidebar with channel categories: "TEXT CHANNELS" containing "# general" and "VOICE CHANNELS" containing "General". A large red arrow points to the dropdown menu next to the server name. The main area shows a list of steps to get started: "Invite your friends", "Personalize your server with an icon" (marked with a green checkmark), "Send your first message", "Download the Discord App", and "Add your first app". In the bottom right corner, there's a status bar showing "ONLINE - 1" and a user profile for "shafiqr" with a yellow crown icon.

Step 1: Click on the

This is the start of the #chat-here channel.

[Edit Channel](#)

Message #chat-here

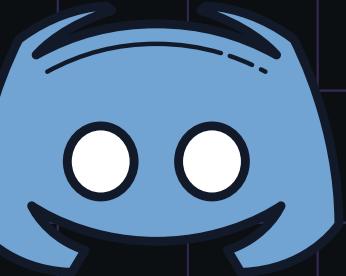

Step 2: Choose
“Server Settings”

Roles

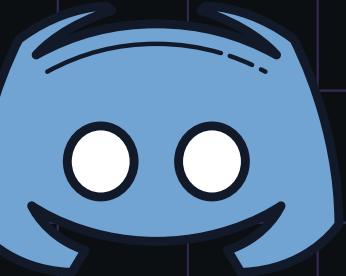

The screenshot shows the Discord server settings interface for roles. On the left, a sidebar lists various options: RANDOM NAME, Overview, Roles (which is selected and highlighted with a red arrow), Emoji, Stickers, Soundboard, Widget, Server Template, and Custom Invite Link. Below these are sections for APPS (Integrations, App Directory) and MODERATION (Safety Setup, AutoMod, Audit Log, Bans). The main content area is titled 'ROLES' and features a profile picture of a blue robot named 'Wumpus#0000'. To the right of the profile are six role categories with corresponding colored circles: president (purple), leadership (orange), coach (pink), new recruit (green), alumni (blue), and mentee (red). Below this is a section titled 'Organize your members' with the sub-instruction 'Use roles to group your server members and assign permissions.' A prominent blue button labeled 'Create Role' is centered in this section. A red arrow points from the 'Roles' link in the sidebar to the 'Create Role' button.

Step 3: Choose Roles then click on “Create Roles”

Roles

The screenshot shows the 'Edit Role - STUDENTS' page in the Discord web interface. On the left, a sidebar lists various server settings like Overview, Roles (which is selected), Emoji, Stickers, Soundboard, Widget, Server Template, and Custom Invite Link. Below that are sections for APPS (Integrations, App Directory), MODERATION (Safety Setup, AutoMod, Audit Log), and a 'Recent' section. The main content area shows the 'Display' tab for the 'students' role, which has been renamed from 'student'. It includes fields for 'ROLE NAME' (with a red arrow pointing to it), 'ROLE COLOR' (a color palette), 'ROLE ICON' (with a 'Choose Image' button), and a note about member role visibility. At the bottom, a message says 'Careful – you have unsaved changes!' with 'Reset' and 'Save Changes' buttons, where the 'Save Changes' button is highlighted with a red arrow.

Step 4: Name the role and click “save changes”

Roles

The screenshot shows the 'Edit Role - students' page in the Discord web interface. The left sidebar has a 'RANDOM NAME' section and categories like Overview, Roles (selected), Emoji, Stickers, Soundboard, Widget, Server Template, Custom Invite Link, APPS (Integrations, App Directory), and MODERATION (Safety Setup, AutoMod, Audit Log). The main area shows the 'Display' tab selected, with roles 'students' and '@everyone' listed. Below is the 'Permissions' tab, which is highlighted with a red arrow. The 'GENERAL SERVER PERMISSIONS' section includes 'View Channels' (disabled), 'Manage Channels' (disabled), and 'Manage Roles' (disabled). A note at the bottom says 'Allows members to add custom emoji, stickers, and sounds in this server.' At the bottom are 'Careful – you have unsaved changes!', 'Reset', and 'Save Changes' buttons.

Step 5: Default permissions can be set by clicking
“Permissions”

PART 7

What the student sees

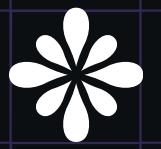

“Lecturer Only” Category is hidden

The screenshot shows a Discord channel settings interface. On the left, there's a sidebar with a user icon, a checkmark icon, and several channel icons: a red checkmark over a white circle, 't-r-i', a green plus sign, a green speech bubble with a dot, and a green downward arrow. Below these are sections for 'TEXT CHANNELS' (containing '# general') and 'VOICE CHANNELS' (containing 'General'). A large white curved arrow points from the text "‘Lecturer Only’ Category is hidden" towards the top of the sidebar area. The main content area has a purple header bar with the URL https://discord.com/channels/1264261482334388336/1264261483148087400, a 'Back to Roles Settings' button, and a message 'You are viewing this server as 1 role.' There's also a 'Select Roles' dropdown. The main body of the page is titled 'Welcome to random name' and includes a message about getting started with the server. At the bottom, there's a message input field and a row of reaction icons.
