PART 4

04. Create Categories

Create categories

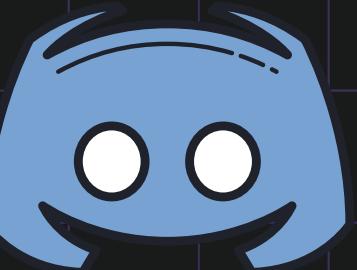

A screenshot of a Discord server setup page. The URL in the address bar is <https://discord.com/channels/1264261482334388336/1264261483148087400>. A large red arrow points to the dropdown menu labeled "random name". The page displays a list of channels: "Events", "# general", and "General". On the right, there's a sidebar with steps to get started: "Invite your friends", "Personalize your server with an icon" (marked with a green checkmark), "Send your first message", "Download the Discord App", and "Add your first app". At the bottom, there's a message input field: "+ Message #general".

Step 1: Click on the
drop down menu

Create categories

The screenshot shows the Discord web interface for creating a new server. The URL in the address bar is <https://discord.com/channels/1264261482334388336/1264261483148087400>. A red arrow points to the 'Create Category' option in the sidebar menu.

Please check your email to verify your account and keep your current username. [Resend Email](#)

shafiqr

shafiqr Online

Message #general

Step 2: Click on
“Create Category”

Create categories

The screenshot shows a 'Create Category' dialog box overlaid on a Discord server interface. The dialog box has a dark background with white text. It contains a 'CATEGORY NAME' field with the text 'lecturers only'. Below it is a 'Private Category' section with a lock icon and a toggle switch. A descriptive text explains that making a category private limits who can view it. At the bottom are 'Cancel' and 'Create Category' buttons. The background shows a server channel list with channels like '# general' and 'Events', and a message input field at the bottom.

Step 3:
Name your category and click “Create Category”

Create categories

The screenshot shows a Discord server setup interface. On the left, there's a sidebar with various channel categories: 'Events', 'TEXT CHANNELS' (with '# general' selected), 'VOICE CHANNELS' (with 'General' listed), and 'LECTURERS ONLY'. A large red arrow points from the right towards the 'LECTURERS ONLY' category. The main area displays a welcome message: 'This is your brand new, shiny server. Here are some steps to help you get started. For more, check out our [Getting Started guide](#).'. Below this are five steps: 'Invite your friends' (unchecked), 'Personalize your server with an icon' (checked with a green checkmark), 'Send your first message' (unchecked), 'Download the Discord App' (unchecked), and 'Add your first app' (unchecked). At the bottom, there's a message input field: '+ Message #general'.

Step 4:
Category has been created

PART 5

05. Create Voice/ Text Channel

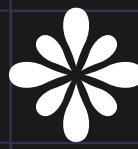

Text/Voice Channel

The screenshot shows the Discord server creation interface. On the left, there's a sidebar with categories: Events, TEXT CHANNELS, VOICE CHANNELS, and LECTURERS ONLY. Under TEXT CHANNELS, the '# general' channel is selected. A red arrow points to the '+' button next to the 'TEXT CHANNELS' category. The main area displays a welcome message and five steps to get started: Invite your friends, Personalize your server with an icon (marked with a green checkmark), Send your first message, Download the Discord App, and Add your first app. At the bottom, there's a message input field and a toolbar with various icons.

Step 1:
Click on “+” button next to your chosen category

Text/Voice Channel

The screenshot shows a 'Create Channel' modal window on a Discord server. The window title is 'Create Channel' and it specifies 'in lecturers only'. The 'CHANNEL TYPE' section contains two options: '# Text' (selected) and 'Voice'. The 'Text' option is described as 'Send messages, images, GIFs, emoji, opinions, and puns'. The 'Voice' option is described as 'Hang out together with voice, video, and screen share'. The 'CHANNEL NAME' field contains the text '# new-channel'. Below the name field is a 'Private Channel' toggle switch, which is turned off. At the bottom of the modal are 'Cancel' and 'Create Channel' buttons. The background of the modal is dark gray, while the buttons and text are white or light gray.

Step 2:

Choose between text channel or voice channel and
then name your text/voice channel

Text/Voice Channel

The screenshot shows a Discord channel interface. At the top, there's a green bar with the text "Please check your email to verify your account and keep your current username." and a "Resend Email" button. Below this is a header with a user icon, a dropdown menu showing "random name", and a search bar. The main content area has a large "#chat-here" heading with a red arrow pointing to it from the left. To the left of the heading is a sidebar with categories: "Events", "TEXT CHANNELS" (with "# general" listed), "VOICE CHANNELS" (with "General" listed), and "LECTURERS ONLY" (with "# chat-here" listed). The "# chat-here" entry in the sidebar is highlighted with a red box. On the right side, there's a list of users: "shafiqr" (ONLINE - 1) with a pink profile picture. At the bottom, there's a message input field with the placeholder "Message #chat-here" and a row of reaction icons.

Step 3: Created channel will appear under the category.

PART 6

06. Create Roles Σ Managing them

Roles

A screenshot of a Discord server setup page. The URL in the address bar is <https://discord.com/channels/1264261482334388336/1264261483148087400>. At the top, there is a green banner with the text "Please check your email to verify your account and keep your current username." and a "Resend Email" button. Below the banner, the server name "random name" is displayed with a dropdown arrow. To the right of the server name is a large red arrow pointing to the dropdown menu. The left sidebar shows channel categories: "Events", "TEXT CHANNELS" (with "# general" selected), and "VOICE CHANNELS" (with "General"). The main content area contains five steps to get started: "Invite your friends", "Personalize your server with an icon" (marked with a green checkmark), "Send your first message", "Download the Discord App", and "Add your first app". On the right side, it shows "ONLINE - 1" and a user profile for "shafiqr" with a yellow crown icon. At the bottom, there is a message input field with the placeholder "Message #general" and a row of message icons.

Step 1: Click on the
drop down menu

Message #chat-here

Step 2: Choose
“Server Settings”

Roles

The screenshot shows the 'Roles' section of a Discord server's settings. The left sidebar lists various options: RANDOM NAME, Overview, Roles (which is selected and highlighted with a red arrow), Emoji, Stickers, Soundboard, Widget, Server Template, Custom Invite Link, APPS, Integrations, App Directory, MODERATION, Safety Setup, AutoMod, Audit Log, and Bans. The main content area has a title 'ROLES' and a sub-section titled 'Organize your members' with the text 'Use roles to group your server members and assign permissions.' Below this is a 'Create Role' button, which is also highlighted with a red arrow. At the bottom, there is a 'Default Permissions' section for '@everyone'. The URL in the browser bar is https://discord.com/channels/1264261482334388336/1264443795575935018.

Step 3: Choose Roles then click on “Create Roles”

Roles

The screenshot shows the 'Edit Role - STUDENTS' page in the Discord web interface. The left sidebar has 'RANDOM NAME' at the top, followed by 'Overview', 'Roles' (which is selected), 'Emoji', 'Stickers', 'Soundboard', 'Widget', 'Server Template', and 'Custom Invite Link'. Below that is a section for 'APPS' with 'Integrations' and 'App Directory'. Under 'MODERATION', there are 'Safety Setup', 'AutoMod', and 'Audit Log'. At the bottom of the sidebar are 'Recent' and 'All' buttons. The main content area shows the 'Display' tab selected. It has a 'ROLE NAME' field containing 'students' with a red arrow pointing to it. Below it is a 'ROLE COLOR' section with a color palette and a checked checkbox. A 'ROLE ICON' section with a placeholder image and a 'Choose Image' button follows. At the bottom, a message says 'Careful – you have unsaved changes!' with 'Reset' and 'Save Changes' buttons. The 'Save Changes' button is highlighted with a red arrow.

Step 4: Name the role and click “save changes”

Roles

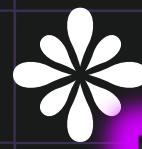

The screenshot shows the 'Edit Role - students' page in the Discord web interface. The URL in the address bar is <https://discord.com/channels/1264261482334388336/1264443795575>. The left sidebar has sections for RANDOM NAME, Overview, Roles (selected), Emoji, Stickers, Soundboard, Widget, Server Template, Custom Invite Link, APPS, Integrations, App Directory, MODERATION, Safety Setup, AutoMod, and Audit Log. The main area shows the 'Display' tab selected for the 'students' role, which includes the role name 'students' and '@everyone'. Below this is the 'Permissions' tab, which is highlighted with a red arrow pointing to it. The 'Permissions' tab contains sections for GENERAL SERVER PERMISSIONS, including 'View Channels' (disabled), 'Manage Channels' (disabled), and 'Manage Roles' (disabled). A 'Clear permissions' button is also present. At the bottom, a message says 'Careful – you have unsaved changes!' with 'Reset' and 'Save Changes' buttons.

Step 5: Default permissions can be set by clicking
“Permissions”

Step 1: Right click on the chosen category

Roles

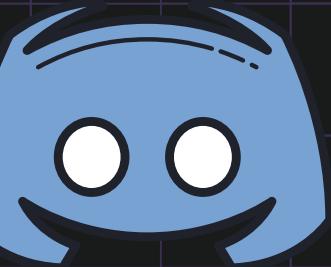

The screenshot shows a Discord channel settings page for '#chat-here'. The left sidebar has a 'TEXT CHANNELS' section with '# general' and a 'VOICE CHANNELS' section with 'General'. Below these are collapsed sections for 'LECTURE ONLY' and 'FOOD ONLY'. The main content area displays a welcome message: '# Welcome to #chat-here! This is the start of the #chat-here channel.' At the bottom of the sidebar, there are buttons for 'Edit Channel', 'Edit Category' (which is highlighted with a red arrow), and 'Delete Category'. The status bar at the bottom shows the user 'shafiqr' is online.

Step 2: Head to “Edit Category”

Roles

The screenshot shows the 'Category Settings' page in a Discord server. The URL in the address bar is <https://discord.com/channels/1264261482334388336/1264443795575935018>. On the left sidebar, under the 'LECTURERS ONLY' category, the 'Permissions' tab is highlighted with a red arrow pointing to it. The main content area shows 'Category Settings' with the instruction 'Use permissions to customize who can do what in this category.' A 'Private Category' section is shown with a green checkmark icon and the text: 'By making a category private, only select members and roles will be able to view this category. Synced channels in this category will automatically match to this setting.' Below this, there's a 'WHO CAN ACCESS THIS CATEGORY?' section with a blue 'Add members or roles...' button, which has a red arrow pointing to it. Under 'ROLES', it says 'No Roles'. Under 'MEMBERS', there's a list with 'shafiqr' and a 'Server Owner' role. At the bottom, a message says 'Careful — you have unsaved changes!' with 'Reset' and 'Save Changes' buttons.

System (DAS)

Bots

Results!

A screenshot of a Discord channel interface. The channel is named '# das'. A message from a bot named 'DAS' is displayed, showing a graph of the function $f(x) = x^2$ for $x \in [-5, 5]$. The graph is a parabola opening upwards, symmetric about the y-axis, with its vertex at (0, 0). The x-axis ranges from -5 to 5, and the y-axis ranges from 0 to 25. The message includes the text 'Function: $f(x) = x^2$ ' and 'Limits: $x \in [-5, 5]$ '. Below the graph, it says 'Powered by Matplotlib • Processed in 0.40s'. At the bottom of the message, there is a button labeled '+ It works!!' and a row of small icons.
